

We began our Outreach program with the idea of introducing disadvantaged groups of all ages to live theater. Along with these performances, our largest expense is providing transportation for these groups. The following handwritten Thank You letter we received from a recent outreach group, in this case an adult drug rehabilitation service, best explains how meaningful this experience is to them. Please help us continue this program. Any 501(c)(3) tax deductible contribution is welcome. We've enclosed an envelope for your convenience which can be left in the lobby, or mailed.

Heb. 13:2

*Be not forgetful to entertain strangers: for thereby
some have entertained angels unaware.*

To everyone who chose to grace us with your beauty, we want you to know what a blessing God bestowed upon us through your passionate commitment.

Many times in life we pretend to be something we are not, but your wonder-ment, it shined through, not in a performance; but rather an experience. As what you gave to us was not a role to be played, no it was something greater. You became a part of the lives of so many who often forget what it truly means to be human.

Beyond the lines of enchantment you brought to life a presence. As you poured out your hearts for the purpose you are serving, there came to us a spirit that touched ours. As we sat there with you, men too macho to allow our feelings to be shown, for a moment you unleashed them. But the moment was far more lasting than just the time we spent together. Riding on the bus back to our confines voices rang out singing praise and sharing secrets.

Truly, we just want to thank, for what you shared with us. To say it simply: How someone can take the time to make a difference. You touched our hearts; you called out to our souls, as the gift God has given you served us in all His glory.

*IN ALL SINCERITY AND APPRECIATION, YOURS TRULY,
(handsigned by 28) THE MEN OF "STRIGHT AND NARROW"*
