

KITTY

Mr. Feldzieg?

FELDZIEG

Getting married and leaving show business.

KITTY

Mr. Feldzieg?

FELDZIEG

Doesn't she know I got obligations?

KITTY

Mr. Feldzieg. You don't need Janet no more. I can be your leading lady. You said it yourself - I'm useless in the chorus.

FELDZIEG

Kitty! For the last time, you ain't got what it takes.

KITTY

But, I been taking lessons; Singing. Acting. Ballet.

FELDZIEG

Ballet?

KITTY

Yeah. I'm pretty good too. Last week I auditioned for Swanee Lake. **And** I've been working on a Mind Reading act. Presenting "Kitty, the Incomprehensible." (*KITTY closes her eyes waves her fingers at FELDZIEG*) Think of a number between 5 and 7.

FELDZIEG

6.

KITTY

No...

FELDZIEG

Kitty! The problem with your act is you got to have a mind to read one. (*Kitty Exits. The Gangsters enter.*)
