

# FOR OUR MAINSTAGE

Chatham Community Players invites proposals to our Mainstage, a two-show slate of productions, staged for three weekends each.

Our Mainstage shows are our largest scale productions. Sets can be bigger and fully realized, costumes can be more intricate. A full Thanksgiving dinner on stage? Why not! That being said, we are always looking for creativity in ways to use our space. If a stripped down version of a large cast period musical is what you envision, we'd love to hear about it.

## **The shows we are considering for this season:**

- The Welkin by Lucy Kirkwood
- The Thanksgiving Play by Larissa FastHorse
- Present Laughter by Noël Coward
- The Other Place by Sharr White
- Nunsense by Dan Goggin
- Company by George Furth; Music and Lyrics by Stephen Sondheim

## **Our two time slots:**

**Tech:** Sept. 12<sup>th</sup> - 17th, 2026

**Performances:** Sept. 18<sup>th</sup> - Oct. 2nd, 2026

**Tech:** April 3<sup>rd</sup> - 8th, 2027

**Performances:** April 9<sup>th</sup> - 24th, 2027

- Chatham Players will provide a Producer and build out the creative team for the production
- Director is required to be present for all tech dates
- You'll have seven performances, including one matinee, across the run
- You'll have access to our costume, furniture and prop collections
- We'll take care of publicity design and will market the show as part of our five-show season

# OUR STAGE

## Remember!

Our theater is a three-quarter thrust, which is the ideal way to use our space. We have the ability to build out the stage to give more elevated playing space. Mainstage shows will have a full set build. Be imaginative! The areas marked with red circles are additional entrances/exits from the deck that can also be used.
